Congratulations to Kristin and Nick Stanley and proud grandparents Patty and Phil Stanley on the arrival of Carl James Stanley (9lb, 7oz) born on November 20 at 1:04 AM. May God Grant them all Many Blessed and Happy Years!

Our last Pork Chop Dinner was a great success with an income of \$4901, expenses of \$2307 and a profit of \$2601. Thanks to all who worked so hard to make this dinner and all of our dinners wonderful events for community outreach, fundraising, and fellowship. Our next dinner will be held on Sunday, February 10, 2019.

Additionally, our Parish Council has decided to honor a request by Archbishop Michael to sponsor a Pork Chop Dinner for the benefit of St. Andrew's Camp. The camp desperately needs a new kitchen. One event to help with fundraising is planned in each deanery of our diocese. This event is planned for a Saturday in later July. More information will follow.

Potato pierogi are being made this week on Friday and Saturday. Please come to assist with this project. Full training is provided to new helpers. Thanks as always.

Please continue to support our own parish and our food pantry ministry as Christmas draws closer. God Bless You Always!
